

**2023**

Columbus Area  
United Way

# ANNUAL REPORT

***CONNECTING ALL  
THE PIECES  
TOGETHER!***

# PRESIDENT'S REPORT

This past year, the Columbus Area United Way achieved remarkable successes, thanks to our community's support. We've strengthened our financial foundation, planned for the future, and launched initiatives that continue to have measurable impact on our local community. Here's a quick look at what we accomplished together in 2023:

## Financial Growth

Our endowment continues to rebound from the recent recession, ensuring we can continue providing Impact Grants, in addition to the campaign fund. This financial security means we're ready for whatever comes next, allowing us to support more programs and respond to emergencies. We actively pursue financial efficiencies by reducing duplications and increasing the organizations efficiencies.

## Leadership and Future Planning

We focused on preparing new leaders within our organization, ensuring CAUW stays strong for years to come. During our strategic planning session, we laid out five Strategic Directions & Initiatives:

- Increasing Board Impact
- Building an Effective Infrastructure
- Igniting Innovative Revenue Strategies
- Cultivating and Maximizing Partnerships
- Funding Aligned with Columbus Area United Way Goals and Impact.

## Mental Health Initiatives

The CAUW continues to put mental health programs and communication as a main point of interest. We recognize this is a growing need in our community. We're dedicating resources to provide support and education, aiming to reach more people who need help.

## Record Fundraising Campaign

Thanks to the incredible generosity of our donors, we had our most successful fundraising year yet. This support means we can grow our programs, including our new mental health initiatives, and help more people in the Columbus area.

## Thank You

None of this would be possible without our amazing team, volunteers, and donors. Your support is changing lives and making our community a better place. We're excited to build on this year's successes and continue making a positive impact.

Here's to another great year ahead!

# CAMPAIGN IMPACT

## EDUCATION

**90%**

improve or maintain school attendance

**23,544**

books were provided to 1,962 children in Boone, Nance, Platte, and Colfax

**205**

youth were assisted to help overcome a barrier impacting school performance

## FINANCIAL STABILITY

**95%**

of participants identify client community resources (1,313 individuals)

**3,668**

individuals basic needs of food and/or shelter met

**794**

food boxes distributed for 3,170 individuals with 1,806 under the age of 18

## HEALTH

**80%**

of program participants have a plan for safety (1,502 individuals)

**94%**

of youth/adults served avoid or reduce risky behaviors (2,552 youth)

**680**

youth report they can resolve conflict or have adopted coping skills

# ENDOWMENT IMPACT

BY 2023 MID-YEAR, 6 AGENCIES WERE ALLOCATED A TOTAL OF \$70,320

100%

Program participants reported to have improved or maintained school attendance

13,200

Community members were educated on healthier lifestyle choices

1372

Participants received food security assistance

500

Participants have improved awareness about the prevention of child abuse

IN 2022, 11 AGENCIES WERE ALLOCATED A TOTAL OF \$84,305

## EDUCATION

80% of program participants reported improving social/emotional skills

92 families received information to improve Kindergarten Readiness

50 community members participated in a new mentorship program

## HEALTH

New programs helped 45 community members develop a plan for safety and learn about healthy lifestyle choices

31 individuals attended personal safety / self defense training

\$1.4 MILLION

Columbus Area  
United Way

Endowment Impact  
Dollars provided back  
to the community as  
of 2023

## FINANCIAL STABILITY

600+

Families received back-to-school assistance for their children

3

Families transitioning to Columbus received assistance in their relocation

45

received basic-needs items including hats, gloves, shoes, coats, blankets, and hygiene items

159

Rural clients benefited from home-delivered meals

# CAMPAIGN CHAIR

We had a recording breaking year in 2023, surpassing our previous record raised amount of \$896k by bringing in \$924k. I'm so proud of our committees, campaign chairs and volunteers that worked to make this happen. We knew our goal of \$950k was a stretch, especially after never being above \$900k, but we also know the community needs are increasing (our partner agency requests was over \$1.1 million) and we had a job to do to close the gap. There was an energy and determination from everyone on the team to make this happen.

The funds raised through the campaign will go a long way in providing funding for the 16 local nonprofits that provide programming and services to areas of Platte, Colfax, Boone, and Nance counties. We once again owe a debt of gratitude to our Pacesetter companies and their employees for their outstanding leadership in giving. Our Pacesetter employees and companies raised 67% of the Campaign total! They have always been the heart of philanthropic giving, with the same values that the Columbus Area United Way is built on and for this, we are grateful.

I would like to also thank the roughly 200 community volunteers that made the campaign a success. It is because of these volunteers that we can provide such strong funding to our local nonprofits who are providing services to 1 in 5 community members. Without their support, the Columbus Area United Way would not be the organization it is today. Thank you for your time and impact to our community.

*Nathan Karges*

**NATHAN KARGES**  
2023 CAMPAIGN CHAIR

# OUR GENEROUS CONTRIBUTORS

## THANK YOU TO OUR AMAZING PACESETTER COMPANIES!

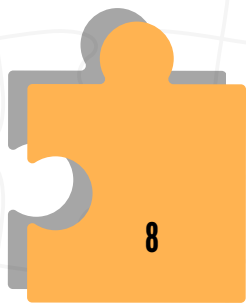

Companies become Pacesetters by conducting a minimum \$10,000 United Way campaign within their organization.

# WORKPLACE CAMPAIGNS

Many businesses in our local community work hard to support Columbus Area United Way and its partner agencies. We are so grateful for the participation from these companies and their employees! Below is a list of these amazing donors based on percent of employee participation, with a minimum gift of \$500.

Youth & Families for Christ - After School Drop-ins  
Youth & Families for Christ – C.O.R.E. Crisis and Suicide Prevention

# COMMUNITY AND

Prevention. That's what CAUW/CFP is about. What are we trying to prevent? Entry of children and families into higher systems of care such as Child Protective Services and Juvenile Justice. We're here to provide support to children, youth, and families before they are in crisis and before they come to the attention of law enforcement or higher systems of care. It takes many partners representing different agencies, nonprofits, schools, organizations and more to do this prevention work. Here's a couple of examples that show how the partners of CAUW/CFP are making an impact in our communities.

## Three Community Driven Priority Areas – Community Ownership Shown!

Twenty-two collaboratives exist in the state, each funded by Nebraska Children & Families Foundation. Each one is involved with providing a voluntary system of coaching parents to help navigate challenges and systems. This system is called Community Response (CR). Beyond CR, each collaborative addresses issues its community is facing. For instance, CAUW/CFP has three priority areas that it is working on. Elevated & Equitable Early Care & Education is working on elevating the profession of child care and increasing the quality and capacity of child care. This team is co-led by Hailey Crumley, Child Care Director, Christ Lutheran School. Embracing & Empowering Voices of Lived Expertise is a team of folks working on welcoming those with lived experiences to our discussions and tables. This team recently gained two co-leads; Brandy Atherton and Mike Sciandra with Choices Treatment Center. The CAUW/CFP Collective Impact Director, Roberta Miksch, co-leads both meetings with the co-leads mentioned above. Increased Mental Health Supports is led by Mathews Thampi of East Central District Health Department.

This shows community ownership! We are grateful for those that have stepped forward to help co-create agendas and co-lead or lead the meetings.

# FAMILY PARTNERSHIP

## Thriving Families, Safer Children Team Presents Panels to Schools in Four County Area

Our prevention education work took to the roads in the four-county area for this reporting period! Along with our amazing partners including Health and Human Services, Faith Regional Health Services Child Advocacy Center, and local law enforcement, the CAUW/CFP staff presented to 12 schools/school systems and educated a total of 575 school staff. Panelists were asked preplanned questions which lasted 35 minutes with additional time for questions from the audience. These panels have proven to be a fabulous avenue for us to share our collective prevention work as well as to describe how processes of mandatory reporting work along with reducing trauma for children.

## Youth Mental Health Vouchers

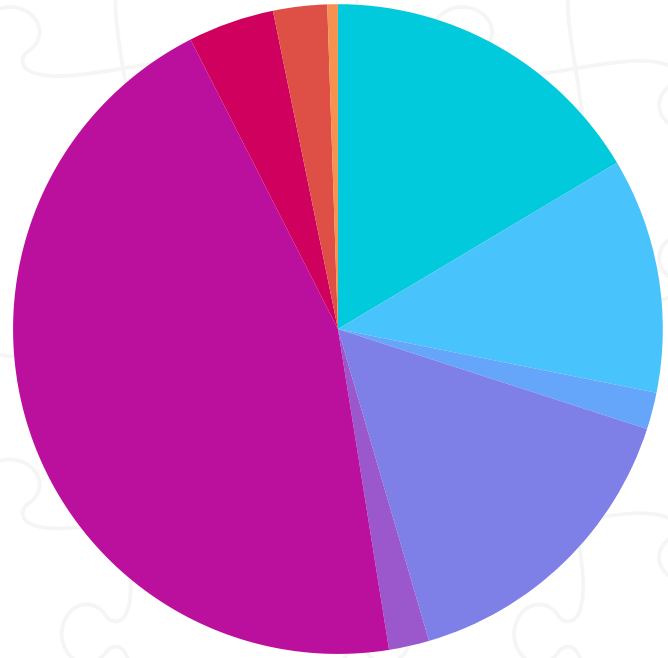

For youth and families who are uninsured, underinsured or who have a high deductible such that receiving mental health care would not be possible, mental health vouchers are available for youth to utilize with many different providers in the area. When school staff become aware of a student that may benefit from mental health care but has financial barriers to receiving the care, they will reach out to CAUW/CFP for mental health vouchers.

# 2023 FINANCIAL REPORT

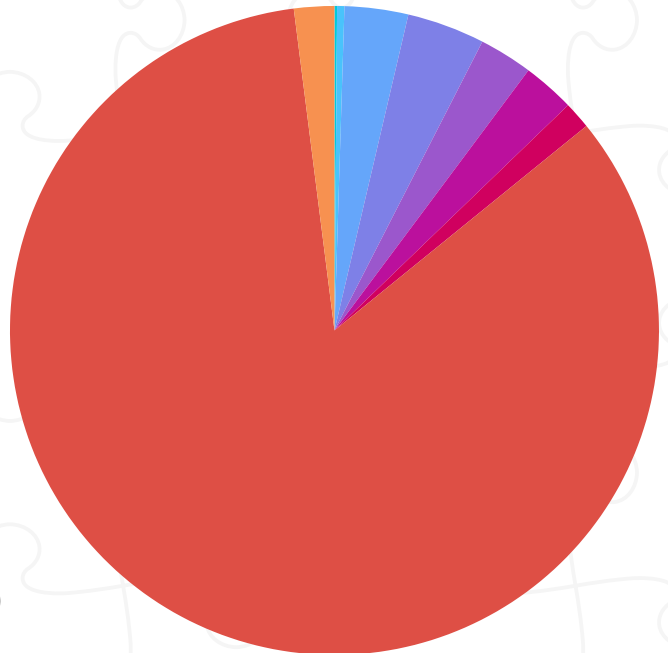

**TOTAL CURRENT ASSETS: \$4,126,447.99**

- Cash and cash equivalents
- Certificates of Deposit
- Grants Receivable
- Contributions Receivable -
