

EMPLOYEE CAMPAIGN COORDINATOR GUIDE 2022

**Columbus Area
United Way**

WHAT WE DO

United Way fights for education, financial stability, and health of every person in every community. We are a part of the world's largest charity but are known as a hyper local organization for Columbus area serving the counties of Boone, Colfax, Platte, and Nance.

MISSION: To focus resources to measurably improve the education, health, and financial stability of our community.

WHAT WE DO:

Columbus Area United Way is a nonprofit dedicated to impacting our community in critical areas identified by the community through community-based assessments. Columbus Area United Way focuses on the three pillars of Education, Financial Stability and Health. The Board of Directors through a strategic initiative identified the following areas of focus through 2024.

Education

- Kindergarten Readiness
- Improve and maintain community public schools 4- year graduation rates

Financial Stability

- Adults improve job relevant skills
- Ensure basic needs are met

Health

- Community members educated on healthier lifestyle choice
- Decrease suicide attempts of youth.

In taking this approach, we have the unique ability to convene, collaborate, and direct resources where they are most needed. CAUW conducts community needs assessments, secures critical resources to fund vital social services, provides fiscal oversight and accountability for community partners, and evaluates program results to measure and communicate community impact.

We also provide local employers, employees, and other donors a cost-effective system to address community needs while allowing other local agencies and programs to concentrate more on serving and less on fundraising. CAUW gives people a trustworthy place to donate funds, knowing that their dollars will go to meet the greatest areas of need in the community and money raised locally stays in the community. Our local United Way has contributed more than **\$8.5 million in the last 10 years alone!**

WHY WE DO IT

- We want to help the 42% of single mom families that are in poverty become financially stable.
- Because 16% of 10th graders report having suicidal thoughts and they need to know they are worthy and valued. Reducing risky behaviors leads to a healthy lifestyle, which leads to overall stability.
- Studies indicate if a child is behind by third grade, chances are much greater that they will not graduate from

high school. CAUW focuses on having children ready for Kindergarten and on a student's social/emotional health during their academic years to be prepared for life.

THE VALUE OF THE UNITED WAY BRAND:

- We hope to see our children succeeding, our families strengthened, and our community thriving.
- United Way is ranked #1 on Forbes 2018 list of 100 largest US charities.
- The United Way brand is recognized by 85% of the public and in 95% of US workplaces.
- 78% of employees surveyed nationally want to work for a company that gives back and are proud of their employer's support of United Way.
- United Way's asset is our unique ability to convene, collaborate, and direct resources where most needed. We concentrate on those issues that no single agency can solve on its own. We are committed to efficiency, transparency, and accountability. CAUW conducts thorough research that supports our community investments. CAUW advocates for programming that provides impact, stability, and growth for our community members. CAUW has compassionate and knowledgeable volunteer leadership from individuals just like you.
- There are a range of studies that consistently demonstrate that there is a significant relationship between volunteering and good health, in addition to the social benefits brought about by volunteering. For example, a report by United Health Group, *Doing Good is Good for You: 2013 Health and Volunteering Study*, found that 76% of US adults who volunteer report that volunteering has made them feel physically healthier, and 78% report that volunteering lowers their levels of stress, leading to feeling better than adults who do not volunteer.

ENERGIZE – Prior to Kickoff

SET A GOAL

Develop a campaign strategy that fits your company's size and culture, engaging everyone at all levels and across all departments.

- Consider prior year results, number of employees and current business climate.
- People like to see results! Showcase dollars raised in real time throughout the campaign.

RECRUIT YOUR TEAM

Before your kickoff, build a diverse team from all departments to help plan and track events throughout your company campaign. Divide duties:

- Communications
- Presentations
- Events

INVOLVE YOUR CEO

Your CEO can help champion the work and ensure a successful campaign. With your CEO:

- Establish a campaign timeline and budget.
- Confirm your company's corporate gift.
- Kick off the campaign with a company-wide email (drafts available) from the CEO and have them make the first pledge.
- Host company-wide rallies and presentations with CEO appearances.
- Offer payroll deduction if this is not already an option.

INSPIRE

- Offer a casual dress day to everyone who donates.
- Offer an opportunity to win Columbus Area United Way swag.
- Host a wrap-up party and thank everyone who participated.

ASK

ASK EVERY ONE TO GIVE

The No. 1 reason people do not give is because they are not asked! Please ask everyone. Columbus Area United Way believes that giving is a personal decision. Make sure everyone has the opportunity to give by supplying information about how Columbus Area United Way impacts lives and how each contribution drives our mission forward.

Start at the top – ask company leadership to set the example by making their contributions early. Remember to include off-site and remote employees and highlight corporate support, especially if your company has a program in place that matches employee donations. You can make the ask:

- Personally
- At campaign events
- At staff meetings
- At leadership events
- Via email and social media

WAYS TO GIVE

- Payroll deduction (the easiest way to give)
- Cash/check
- Direct billing
- Online giving

THANK YOU!

MONITOR YOUR CAMPAIGN AND REPORT RESULTS

It is critical to follow up with employees and report results:

- Ensure that your campaign team had the opportunity to speak with all employees.
 - Keep regular totals and give progress reports to your CEO, team, organization, and your Columbus Area United Way staff contact.
- Publicize campaign results throughout the organization.
 - Track contributions by asking all employees to return pledge cards to you (even if they do not make a gift).
 - Make sure that pledge cards are filled out and signed and the total amounts are accurate.
 - Give completed report envelopes, including signed pledge forms and raffle tickets, to your Columbus Area United Way staff contact.

SAY THANK YOU!

It is just as important to officially close the campaign and thank people as it is to begin the campaign.

Come to work late/leave early pass -for employee who donates a certain amount, they get a pass or entered into a raffle for one of these.

Competition between Companies – Do you have a vendor or a competitor that also runs a workplace giving campaign with United Way? Consider doing a friendly competition between companies. Most raised? Most participation? Most food donated? The winning company has to provide the other company with a prize (i.e.: hosted lunch, tickets to a sporting event, etc.).

Executive Auction – Get the executive staff to donate half a day to the campaign. Then auction each executive off to employees. The executive must take over the employee's job for that half day.

Flamingo Insurance – Company purchases 20 inexpensive flamingos (stuffed, on a stand, etc.). Employees can purchase Flamingo Insurance from HR for \$5 to insure that no flamingos can enter their office or cubicle. Employees pay \$5 to send a flamingo to an office or cubicle that does not have a Flamingo Insurance sign provided by HR. If you receive a flamingo in your office, you can pay \$2 to send it away.

Hallway Golf – Form teams, get creative, and create golf holes throughout your office floors. Incorporate United Way's mission, by conducting a food or book drive and use the raised items to create the holes. Employees pay to participate in the golf.

Leadership Lunch – During the campaign, encourage participation amongst employees. The department with the highest participant gets to attend a lunch or dinner hosted by all senior leadership. Lunch can also be for those that are Bridgebuilders (Leadership Giving - \$500 and up)

Mobile Food Sales – Host a coffee cart, taco truck, ice cream bar. Sales of all items come to United Way.

Pancake & Waffle Breakfast – Host a pancake or waffle breakfast for employees. Charge employees for the ticket. Encourage leadership to serve food at the breakfast as a way to show their support for the campaign

Parking Spot –offer a raffle for a free parking spot – the best one or the closest one to the building for that matter.

Point System Competition – During the campaign develop a point system to encourage participation and a friendly-competition between departments. For example:

- 1-point for contributing to food drive during campaign
- 2-points for attending a campaign event (i.e.: kick-off, meeting, etc.)
- 3-points for volunteering during the campaign
- 4-points for giving to the campaign
- 5-points for increasing gift from last year
