**Community Prevention is a voluntary program for families to partner with a Family Coach to develop a plan for addressing a variety of needs.**

Community Prevention can assist with:

- Finding resources for basic needs including housing, utilities, food, and transportation.
- Parenting skills
- Life skills including employment search
- Budgeting and money management
- Childcare and education resources
- Adult education and GED resources
- Health and Mental Health services
- Finding new connections in the community
- Building a support system to meet family needs
