Then, click on Request Impact Grant under the "Apply/Report" section:

Step 5: Select a grant application you would like to apply for, and then click the 'Continue' button.

Impact Grants	
2023	
United Ray	Application
Columbus Area United Way	Purpose:
	The purpose of the Community Impact Grant program is to provide health and human service agencies and organizations an opportunity to seek funds for immediate and creative responses to the <u>most pressing</u> <u>human needs</u> in the areas of Education, Financial Stability, Health and Community Needs. Community Impact Grants can be applied for in two different areas.
The filled-in radio button shows which application you will be using.	1. <u>One year demonstration or pilot project grant</u> : Organizations are encouraged to test and develop new or improved ways of delivering needed services, services which address emerging or newly identified needs, or services which respond to previously unmet or underserved needs within the four county service area of Boone, Colfax, Platte, and Nance counties. The desired results of these demonstration/pilot programs will be improved delivery or services for persons in need, and a stronger more integrated human service network in our community.
	2. <u>Impact Grants</u> : Organizations that already have programs established that are addressing recognized concerns within the areas of Education, Financial Stability, Health and Community Needs. The objective of these impact grants will be to fund programs that will have measurable results that improve lives and make lasting change.
	Funding: 4% of the interest earned by the Columbus Area United Way Endowment Fund is distributed back to the community through annual Impact Grants. It is recommended an Impact Grant application request be \$20,000 or less. The Fund Distribution Committee reviews all applications and makes funding recommendations to the Columbus Area United Way Board of Directors. Community Impact Grant funds will be distributed in one lump sum unless otherwise recommended by the Fund Distribution Committee.

Process: Please see full details in the Impact Grant Guidelines and Directions file attached to the Agency Information section of the application.

Review the next page, then click 'Complete Registration' to continue with the Impact Grant Application.

Step 6: You are now ready to complete the Impact Grant Application.
